

Snowboy's Snowman Soup

After a chilly day in Snowville, there's nothing quite like a warm cup of Snowman Soup! Make your own Snowboy hot-chocolate mix, add some marshmallows, and enjoy a warm treat with your family.

We tried to think how could we
Send Snowboy warmth out to you
Keep on reading; you will see
Just what you ought to do

Add hot water to a cup
With "snowboy powder" in it
Then you have to mix it up
So find a spoon and "spin it"

Top it off with marshmallow
That's sure to make you grin
Then sit back and sip it slow
And wipe it off your chin!

Adult help required. Hot water and hot milk can cause burns. An adult should heat and pour the liquid and supervise young children while making and drinking Snowman Soup.
